### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Wesley Ames on September 8, 2008.

The application has been amended as follows:

Please cancel claims 56-58.

2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the nail polish removing composition as claimed. Specifically, the proportions of propylene carbonate, free of peroxides, and any co-solvents present are LVP-VOC or LR-VOC. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Necholas Ogden, Jr. whose telephone number is 571-272-1322. The examiner can normally be reached on M-Thu.
